Le Réseau de l'Est de l'île pour les services en anglais

## The East Island Retention of Health Professionals Project

*English, an  
Asset!*

[www.reisa.ca](http://www.reisa.ca)

## Our Mission

- REISA, a community organization, works to increase access to health and social services in English for residents of Montréal's East End, through collaboration with public, private and community stakeholders
- Promotes and supports the training and retention of health and social service professionals in the east end of Montréal to ensure that English-speaking minority communities in Montréal's East End have access to services in their own language
