CAREGIVER SUPPORT GROUPS

WHO are these groups for?

Family and friends of people living with Alzheimer's disease or a related form of dementia, long-distance caregivers included.

WHY join a support group?

- To access practical information and strategies to integrate into your daily life and that can help you plan for the future.
- To experience a reassuring environment, free from judgement, that allows for you to openly share what you are going through.
- To realize that you are not alone and that others are experiencing similar challenges.
- To make a connection with the Alzheimer Society of Montreal and a vast network of resources.

WHERE do the groups take place?

The groups take place in different locations across the island of Montreal at various times and dates. Additional groups may be formed according to the needs of participants.

WHO facilitates the groups?

A team of skilled and compassionate professionals facilitate our caregiver support groups.

HOW do I register or find out more?

SERVICES FOR CAREGIVERS

WEEKLY GROUPS

Weekly groups for caregivers are held year-round at various service points across the island of Montreal. The groups are offered in **English** or **French** and are led by our team of experienced facilitators. There are two types of weekly groups for caregivers: **information and support** and **meditation**.

INFORMATION AND SUPPORT — 8-WEEK GROUPS

This group meets once a week for 2 hours, over 8 weeks. It covers a variety of topics, including: an overview of Alzheimer's disease and related forms of dementia, various aspects of communication, understanding responsive behaviours, taking care of yourself as a caregiver, and the different community resources available in your area.

COST: \$60 for the 8-week session. It is not necessary to have already received services from the Alzheimer Society of Montreal to participate in this group.

INFORMATION AND SUPPORT — NEW 6-WEEK FORMAT

As a result of the feedback received from our participants, we are proud to launch this 6-week information and support group as a pilot project. This revised program will allow caregivers to receive all the necessary information to better understand the diagnosis and requirements of the person they are caring for, as well as their own needs. A shorter version of the program does not mean fewer tools, but rather an improved way of presenting them.

Register now, we look forward to hearing your thoughts!

COST: \$60 for the 6-week session. It is not necessary to have already received services from the Alzheimer Society of Montreal to participate in this group.

SERVICES FOR PEOPLE LIVING WITH DEMENTIA AND THEIR CAREGIVERS

ACTIVITY CENTRES

The Alzheimer Society of Montreal currently operates in three activity centres located in Ahuntsic, Lachine, and Westmount. Each centre employs qualified staff and volunteers who possess the knowledge and experience to meet the individual needs of participants and reassure family members. The activity centres provide caregivers and families with a few hours of respite on Saturdays, while also offering stimulating activities to their participants living with dementia. There is a service fee of \$20 per Saturday.

PLACES ARE AVAILABLE IN OUR THREE ACTIVITY CENTRES!

AN ASSESSMENT IS REQUIRED TO BEST MEET THE NEEDS OF THE PERSON LIVING WITH DEMENTIA.

Participants at the Westmount activity centre enjoying some games and puzzles.

Zootherapy activity with Nathalie R.

IN-HOME RESPITE AND STIMULATION PROGRAM

Qualified professionals provide caregivers with a planned period of respite, varying from 2 to 4 hours per week. This service provides stimulating, therapeutic, and socially engaging experiences to its participants living with dementia in a reassuring setting. Fees are based on a sliding scale and determined according to revenue.

SERVICES FOR PROFESSIONALS AND ORGANIZATIONS

PUBLIC CONFERENCES

*The Alzheimer Society of Montreal offers **free conferences** to groups of 15 or more people from not-for-profit organizations.**

The conferences last for approximately 1 hour, including a question period.

* A minimal fee is required from private organizations.

CONFERENCE 1 **DEMYSTIFYING ALZHEIMER'S DISEASE AND RELATED DISORDERS**

This conference covers common questions about: memory loss, Alzheimer's disease and related forms of dementia, symptoms, diagnosis, the progression of the disease, risk factors, and prevention. The speaker reassures those in attendance about the difference between normal aging and Alzheimer's disease.

CONFERENCE 2 **AN INTRODUCTION TO ALZHEIMER'S DISEASE AND COMMUNICATION STRATEGIES**

This conference covers common questions about Alzheimer's disease and related forms of dementia as well as an introduction to strategies for responding to changes in communication and behaviour.

CONFERENCE 3 **VISITING SOMEONE WITH DEMENTIA - WHAT YOU SHOULD KNOW**

This conference covers common questions about Alzheimer's disease and related forms of dementia, as well as information about what to expect when visiting someone with Alzheimer's disease and practical ideas for spending time together.

CONFERENCE 4 **CARING FOR THE CAREGIVER**

This conference covers a short overview of Alzheimer's disease and related forms of dementia and is followed by a discussion about caregiving, ways to support the caregiver, and how to reduce some of the stress related to caregiving.

Family and friends are encouraged to attend.

CONFERENCE 5 **AMBIGUOUS LOSS**

The issue of loss and grief is one of the most significant that arises when supporting people with Alzheimer's disease or a related form of dementia. Ambiguous loss is different from the loss and grief of death because closure is not possible and grief cannot be fully resolved while the person with dementia is alive. Fortunately, understanding loss and grief can ease the effects of the disease.
