

# MEDICAL CANNABIS AND PARKINSON'S: WHAT'S KNOWN AND WHAT'S NOT

*Presented by the Cummings Centre and Parkinson Canada*

Experts will share their knowledge on medical cannabis use in Parkinson's care & research. They will provide a balanced overview of what's known and what's not and answer your questions on this timely topic.

**Wednesday May 1 • 10 - 3 pm** (registration 9:30 am)  
\$40 • Includes registration and lunch (kosher)

Gelber Conference Centre  
5151 Chemin de la Côte-Sainte-Catherine  
Montréal, QC H3W 1M6
